Requisite Skills and Abilities

I have read the brochure, “Becoming a Registered Nurse in British Columbia: Requisite Skills and Abilities” located at www.crnbc.ca, click on “What Nurses Do”, then click on ‘Required Skills and Abilities’.

If, now or at any time during my education program, I:

- a) believe I may have difficulty demonstrating one or more of the Requisite Skills and Abilities
- b) would like assistance,

then it is my right and responsibility to advise my education program.

I can make this request by contacting:

- Accessibility Services at 250-762-5445 local 4119, or on their website at:
<http://www.okanagan.bc.ca/accessibilityservices>
